EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Wisz, Attorney of Record, on March 21, 2005.

The application has been amended as follows:

In the Specification:

In paragraph 22, line 7, the last word which is blurred has been changed to -- aerodynamic -- .

In paragraph 23, line 1, the last word which is blurred has been changed to -- edge --.

In paragraph 24, line 1, the last word which is blurred has been changed to -- flap --.

In paragraph 27, line 4, the last word which is blurred has been changed to -- rotor --.

In the Claims:

In claim 6, line 1, "5" has been changed to -- 1 --.

Art Unit: 3745

The above changes to the specification have been made to clarify blurred words. The above change to claim 6 has been made to eliminate dependency from a canceled claim.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: Applicant's argument (see page 11, first paragraph of the Remarks dated February 22, 2005) that Pocard 4,715,567 fails to suggest the trailing edge servo flap is selectively deflectable about a trailing edge servo flap pitch axis in a first direction to deflect the trailing edge flap about the trailing edge flap pitch axis in a direction opposite the first direction in response to deflection of the trailing edge servo flap, is persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

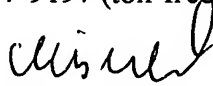

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher Verdier whose telephone number is (571) 272-4824. The examiner can normally be reached on Monday-Friday from 10:00-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward K. Look can be reached on (571) 272-4820. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
